Hello dear Friends,

Welcome to our June Newsletter.

Doesn't the world seem to be in turmoil right now? The rioting, the pandemic, the social distancing – or rather 'lack of it', queues everywhere, lack of PPE, Schools closed, Parents home schooling and holidays abroad not going ahead. Who knows where this madness will end.

Here at Longview House we closed down when advised by the Government and neither Chris or I have been affected despite him being an essential worker and both of us being involved with the 'Causeway Scrubs' Group\*\* We just took the proper precautions – for us and our business and probably just like you, our home has never been cleaner ! Lol....

Seriously though, we are taking extra care with everything we do from ceiling to floor, and our en-suites are sparkling! We want to give our guests peace of mind when booking.

Just a reminder that we are a luxury B&B **exclusively for adults.**

We are very happy to have been advised that we can take bookings from today onwards with a view to opening for business on 20<sup>th</sup> July. We're delighted of course. We can't WAIT to welcome guests again.

During lock down, we have been very busy. We have had the outside of the house painted and we have created a garden where there wasn't one before and we have added some flower beds in front of the house too to add to the already panoramic view of the River Bann valley and the Sperrin Mountains.

Did you know that we had the warmest and driest Spring here in Northern Ireland since records began 150 years ago ?

So, we're here and we're ready for your visit. We are just 40 minutes from either Belfast International or Londonderry (Eglinton) Airports. Easyjet, Ryanair and British Airways fly here and the flight is just about 45 minutes from Liverpool, Birmingham or Manchester.

2021 will be a busy year, with the Irish Open Golf being in Portstewart, the North West 200 and Armoy Races will resume as will many other events.

However, Tourist attractions, like the Giant's Causeway, The Carrick-a-Rede Rope Bridge and no less than 11 Game of Thrones filming locations plus the Award -winning Titanic Museum, National Trust, 9 Blue Flag beaches and the Ulster American Folk Museum are opening their doors from next month, so it's all very exciting.

If you are planning a trip to Northern Ireland, you can download our FREE publications from our Website to help you make some plans. We are perfectly placed for all the Tourist Attractions and the Causeway Coast.

With very best wishes,

Stay safe,

Rave Review (taken from our Testimonials) :

*“Krissi and Chris are wonderful hosts. The house was scrupulously clean and the beds were so comfy, we didn’t want to get up! After a busy day exploring, it was lovely to come home to a quiet rural location to just chill.*

**\*\* The Causeway Scrubs Group is a number of Seamstresses and Drivers (over 100 now) who sew scrubs from fabric which people donate. Scrubs are then made and delivered to G.P. Surgeries and non-Covid Hospitals. To date (since April) they have donated over 1200 sets of washable scrubs and masks.**
